ABOUT ME

A final semester student driven by relentless curiosity. I have immersed myself in Software Development for more than 4 years. My expertise spans across languages including Dart, PHP, and Javascript, as well as technologies like Typescript and React. I have hands-on experience with frameworks such as Laravel, Flutter, Nextjs, and managing databases like MySQL and MongoDB.
I am highly motivated, self-taught, and possess a strong ability to quickly grasp new concepts.

EXPERTISE

- Flutter
- Laravel
- React
- Backend Development
- Linux environments

CERTIFICATIONS

Aug 2022 | freeCodeCamp
Back End Development and APIs

SKILLS

- Flutter
- Laravel
- TypeScript
- React/Nextjs
- Database design
- MySQL
- MongoDB
- Git
- Linux
- Software QA
- Software Design
